

# **SAFETY DATA SHEET**

Section 1: Identification								
Section 1, Identification								
Product	Lidocaine Patch 4%							
	Pain Relieving Transdermal Patch							
Distributor	SOLA Pharmaceuticals							
	655 Highlandia Drive, Ste B							
	Baton Rouge, LA. 70810							
	Tel: 866.747.7365							
	Fax: 800.754.9550							
	www.solameds.us							
	info@solameds.us							
NDC Number 70512-812-30								
Section 2: Hazard(s) Identification								
Section 2, Hazard(s) Identifica								
Routes of Entry	Eye and Ingestion							
B								
Potential Health Effects	Potential hazard in case of eye contact (irritant), of ingestion. No known							
potential chronic health effects.								
Section 3: Composition/Information on Ingredients								
Section 3, Composition/Infor	nation on Ingredients							
Hannada va kannadi anta	0/	CACAL	Taxista of large disease					
Hazardous Ingredients	%	CAS No.	Toxicity of Ingredient					
Lidocaine HCl	4	6108-05-0	Acute (oral) Serious (eye)					
Section 4: First-Aid Measures								
Section 4, First-Aid Measures	A6							
Skin Contact	After contact with skin, wash with running water and non-abrasive soap.							
Five Contact	Sook modical attention							
Eye Contact	Seek medical attention.							
Inhalation	Not available							
IIIIIaiatioii	NOL available							
Ingestion	Call a poison control center/doctor/medical professional.							
Section 5: Fire-Fighting Measures								
Section 5, Fire-Fighting Measu		0 0						
Means of Extinction	Not available							
Flashpoint	Not available							
Upper Flammable Limit	Not available							
Lower Flammable Limit	Not available							

**Autoignition Temperature** Not available

**Explosion Data - Impact** Not available

**Explosion Data – Static** Not available

#### **Section 6: Accidental Release Measures**

#### **Section 6, Accidental Release Measures**

**Leak and Spill Procedures** Not available

## **Section 7: Handling and Storage**

## Section 7, Handling and Storage

Keep away from sources of heat. Keep away from sources of heat. Keep away from sources of ignition. Fold used patches inward, so that the adhesive is not exposed, when discarding used patches. Wash hands after handling.

#### **Storage Requirements**

Store in a cool, dry place. Store in a sealable, light-resistant container.

### **Section 8: Exposure Controls / Personal Protection**

### **Section 8, Exposure Controls / Personal Protection**

**Specific Engineering Controls** (such as ventilation, enclosed process)

Not available

### **Personal Protective Equipment**

Not available

## **Section 9: Physical and Chemical Properties**

## **Section 9, Physical and Chemical Properties**

Appearance	N/A	Flash Point	N/A	Vapor Density	N/A
Odor	N/A	Evap. Point	N/A	Vapor Pressure	N/A
<b>Boiling Point</b>	N/A	Solubility	Water	Flammability	N/A
рH	N/A	Viscosity	N/A	<b>Upper Limit</b>	N/A
<b>Melting Point</b>	N/A	Freeze Point	N/A	Lower Limit	N/A
Odor	Not available	<b>Auto-Ignition</b>	Not available	Relative	Not available
Threshold		Temperature		Density	
Decomposition	Not available	Partition	Not available		
Temperature		Coefficient:			
		N-octanol/water			

#### **Section 10: Stability and Reactivity**

#### Section 10, Stability and Reactivity

**Chemical Stability** Yes **Incompatible (others)** No

**Reactivity, and under what conditions?**Not reactive **Hazardous Decomposition Products**Not available

## **Section 11: Toxicological Information**

#### **Section 11, Toxicological Information**

#### **Effects of Acute Exposure**

Potentially minor irritation and redness to the skin. This product is an external analgesic, categorized as a counterirritant. By its very nature, it causes irritation.

#### **Effects of Chronic Exposure**

No known potential chronic health effects.

#### **Irritancy of Product**

Product will cause an irritation to the skin. This is felt as a cooling sensation.

**Skin Sensitization** Not available **Respiratory Sensitization** Not available Carcingenicity - ACGIH Not available Carcingenicity - IARC Not available **Reproductive Toxicity** Not available **Teratogenicity** Not available Not available **Embrotoxicity** Not available Mutagenicity

#### Name of Synergistic Products/Effects

Not available

# **Section 12: Ecological Information**

## **Section 12, Ecological Information**

Aquatic Toxicity No known aquatic toxicity

#### **Section 13: Disposal Considerations**

## **Section 13, Disposal Considerations**

#### **Waste Disposal**

Dispose of waste in accordance with all applicable Federal, State, and local laws. Review FDA information for disposal of pharmaceuticals.

#### **Section 14: Transport Information**

#### **Section 14, Transport Information**

## **Shipping Information**

Lidocaine Patch 4% is not a Department of Transportation (DOT) controlled material.

#### **Section 15: Regulatory Information**

## Section 15, Regulatory Information

Not available.

#### **Section 16: Other Information**

#### **Section 16, Other Information**

The above information is believed to be correct but does not purport to be all-inclusive and shall be used only as a guide. Nothing herein shall be deemed to create any warranty, express or implied. It is the responsibility of the user to determine the applicability of this information and the suitability of the material or product for any particular purpose.

**SOLA** shall not be held liable for any damage resulting from handling or from contact with the above product. SOLA reserves the right to revise this Safety Data Sheet.
