

# SAFETY DATA SHEET

Section 1: Identification					
Section 1, Identification					
Product	Phenylephrine Hydrochloride Ophthalmic Solution USP				
Distributor	SOLA Pharmaceuticals				
	655 Highlandia Drive, Ste B				
	Baton Rouge, LA 70810				
	Tel: 866.747.7365				
	Fax: 800.754.9550				
	www.solameds.us				
	info@solameds.us				
NDC Number	70512-865-02 (2.5% 2mL)				
	70512-865-15 (2.5% 15mL)				
	70512-866-05 (10% 5mL)				
	Section 2: Hazard(s) Identification				

# Section 2, Hazard(s) Identification

## **Classification**

This chemical is considered hazardous according to the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200) Considered a dangerous substance or mixture according to the Globally Harmonized System (GHS)

Acute Toxicity – Oral	Category 4
Skin corrosion / irritation	Category 2
Serious eye damage / eye irritation	Category 2A
Specific target organ toxicity (single exposure)	Category 3

# Label elements

#### WARNING

Hazard statements Harmful if swallowed Causes skin irritation Causes serious eye irritation May cause respiratory irritation

Hazards not otherwise classified (HNOC)

Not Applicable

**Other hazards** 

Not available

## **Precautionary Statements - Prevention**

Wash face, hands and any exposed skin thoroughly after handling Do not eat, drink or smoke when using this product Avoid breathing dust/fume/gas/mist/vapors/spray Use only outdoors or in a well-ventilated area Wear protective gloves

### **Precautionary Statements - Response**

*IF IN EYES*: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. *IF ON SKIN*: Wash with plenty of water
If skin irritation occurs: Get medical advice/attention
Take off contaminated clothing and wash it before reuse *IF INHALED*: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell. *IF SWALLOWED*: Call a POISON CENTER or doctor/physician if you feel unwell
Rinse mouth

## **Precautionary Statements - Storage**

Store in a well-ventilated place. Keep container tightly closed Store locked up

# **Precautionary Statements - Disposal**

Dispose of contents/container to an approved waste disposal plant

Section 3: Composition/Information on Ingredients

#### Section 3, Composition/Information on Ingredients

Compo	onents	CAS-No.	Weight %				
Phenylephrine Hydrochloride		61-76-7	100				
		Section 4: First-Aid Measur	res				
Section 4, First-Aid I	Measures						
First aid measures							
General Advice:							
Skin Contact:	Wash off immediately with soap and plenty of water removing all contaminated clothing and shoes. Get medical attention. If skin irritation persists, call a physician.						
Eye Contact:	Flush eyes wit	th water for 15 minutes. Get medical at	ttention.				
Inhalation:	Move to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical attention.						
Ingestion:		e vomiting without medical advice. Nev person. Obtain medical attention.	er give anything by mouth to an				

# Most important symptoms and effects, both acute and delayed Symptoms Causes serious eye irritation Eye contact may result in redness or pain Causes skin irritation Skin contact may result in redness, pain, inflammation, itching, scaling Irritating to respiratory system Ingestion may cause nausea, vomiting, and diarrhea May cause loss of appetite Upset stomach May affect the cardiovascular system Weak, rapid pulse or rapid heart rate (Tachycardia) Cardiac arrhythmias Hypertension May cause central nervous system effects Dizziness Lightheadedness Anxiety Headache Tremors Excitement Somnolence May cause nervousness, agitation, restlessness, insomnia May cause seizures May cause warmth, tingling, or redness under the skin Indication of any immediate medical attention and special treatment needed Notes to Physician: Treat symptomatically. **Protection of first-aiders** First-Aid Providers: Avoid exposure to blood or body fluids. Wear gloves and other necessary protective clothing. Dispose of contaminated clothing and equipment as bio-hazardous waste.

Section 5: Fire-Fighting Measures					
Section 5, Fire-Fighting Measures					
Extinguishing Media					
Suitable Extinguishing Media:	Carbon dioxide (CO2). Dry chemical. Water spray mist or foam.				
Unsuitable Extinguishing Media:	No information available.				
Specific hazards arising from the chemical					
Hazardous Combustion Products:	Carbon Monoxide, Carbon Dioxide. Nitrogen Oxides.				
Specific hazards:	May be combustible at high temperatures.				
Special Protective Actions for Firefighters					
Specific Methods:	No information available.				
Special Protective Equipment for Firefighters:	As in any fire, wear self-contained breathing apparatus pressure-				
	demand, MSHA/NIOSH (approved or equivalent) and full protective				
	gear				

# Section 6: Accidental Release Measures

#### Section 6, Accidental Release Measures

#### Personal precautions, protective equipment and emergency procedures

#### **Personal precautions**

Ensure adequate ventilation. Use personal protective equipment. Avoid contact with skin, eyes and clothing. Keep people away from and upwind of spill/leak. Do not touch damaged containers or spilled material unless wearing appropriate protective clothing. Remove all sources of ignition.

#### **Environmental precautions**

Prevent further leakage or spillage if safe to do so. Prevent product from entering drains. Prevent entry into waterways, sewers, basements or confined areas.

#### Methods and material for containment and cleaning up

# Methods for containment

Stop leak if you can do it without risk. Cover with plastic sheet to prevent spreading.

#### Methods for cleaning up

Sweep up and shovel into suitable containers for disposal. Clean contaminated surface thoroughly.

Section 7: Handling and Storage

# Section 7, Handling and Storage

# Precautions for safe handling

#### **Technical Measures/Precautions:**

Provide sufficient air exchange and/or exhaust in work rooms. Keep away from incompatible materials.

#### Safe Handling Advice

Wear personal protective equipment. Avoid contact with skin, eyes and clothing. Do not ingest. Do not breathe dust. Handle in accordance with good industrial hygiene and safety practice.

### Conditions for safe storage, including any incompatibilities

#### **Technical Measures/Storage Conditions:**

Keep container tightly closed in a dry and well-ventilated place. Store at room temperature in the original container. Store away from incompatible materials. Do not store above 25°C/77°F. Sensitive to light. Store in light-resistant containers. **Incompatible Materials:** 

#### Acids

Oxidizing agents

Section 8: Exposure Controls / Personal Protection

Section 8, Exposure Controls / Personal Protection

Control parameters

#### National occupational exposure limits

#### **United States**
